Current Year to Date vs. Year over Year

2011		2010	
<u>224.64</u>	recycled YTD vs.	<u>202.87</u>	recycled at this time last year
<u>673.92</u>	cubic yards of landfill saved YTD vs.	<u>608.61</u>	saved at this time last year
<u>921,473.28</u>	KWH energy saved YTD vs.	<u>832,172.74</u>	KWH Energy saved at this time last year

Our cumulative collection of 885 tons of recycle materials continues to demonstrate our stewardship of precious natural resources. The 885 tons of collected paper represents the equivalent of 2665 cubic yards of land fill space not consumed; a savings of 3,540,000 gallons of oil and a savings of 6,195,000 gallons of water.
