

Dear friends:

We appreciate your past and ongoing support of *The Helman Concert Series!* St. Michael's Parish is proud to present you with the Winter 2019 Season Flyer. Please feel free to hang the attached flyer up in your church or business and you are welcome to make copies for others. You can also find information about upcoming concerts on our website at [www.stmichaelcanton.org/concerts](http://www.stmichaelcanton.org/concerts)

Our first concert is on Sunday November 17th at 2:30pm. We are happy to welcome back the Canal Fulton Community Band who will offer a patriotic and holiday concert of toe-tapping favorites. They will present "A Musical Tapestry of Marches and Melodies" including favorites by John Philip Sousa and George Gershwin. This concert is free and appropriate for all ages. Refreshments will follow.

The Helman Concert Series was founded to create access to a variety of musicians for people of all ages who are eager to listen to professional quality music. This artistry helps us see a glimpse of the beauty of God. We ALWAYS need your help to continue to provide these events. Please consider giving a donation to help St. Michael the Archangel Parish continue this wonderful service to the community and to the arts. Your support uplifts us. You are truly our angels! Thank you for helping keep music alive in our community and for your continued support of the Helman Concert Series!

In Christ,

### Baptism: Alive in Christ Justin Huyck and Friends Sunday, January 12, 2020 at 2:30pm

### *Book Launch and Concert*

We are very excited to have St. Michael’s own Justin Huyck launch his newest book on baptism with word and song in this storytelling concert event. Justin is Pastoral Associate and Director of Adult Faith Formation at St. Michael the Archangel Church in Canton, Ohio. In addition to parish ministry, Justin is a regular speaker, retreat leader, and the author of *From Home to Home: Finding Meaning in Mobility* and this newest book, *Baptism: Alive in Christ*. Justin and his wife are parents to two delightful children. In his ministry career and family life, Justin has found that music has been a foundation for his faith. Together, we will sing of God’s love in Christ and in the baptized Christian community. *Copies of this book will be available, with proceeds supporting St. Michael Social Justice and Outreach Ministries.*
